

MEDICAL EXAMINATIONS TO BE RESUMED MONDAY

MORE REGISTRANTS CALLED TO COLORS.

Another Batch Leaves for Camp Wednesday Morning.

City board No. 1 will resume physical examinations Monday morning. It was announced this morning. Physical examinations were discontinued about two weeks ago on account of the epidemic of Spanish influenza. The health authorities have notified the board that they could resume work the first of the week. Dr. Fred B. Stapp, the examining physician for the board, who has suffered an attack of influenza, has recovered and will be on hand to conduct the tests. About fifty men each day will be examined, and to avoid a crowd gathering in the rooms, they will be called in groups at different hours during the day.

Call For Colored Men.
The first call for colored limited service men to be received in the county was delivered to city board No. 2 this morning. The men will report for duty in the navy at the training camp in Norfolk, Va. Wednesday morning. What their duties will be is not definitely known, but it is thought they will be put to shoveling coal or perhaps employed as stewards in some other similar service which they are capable of doing. The order calls for three men from each of fifteen counties of the state. The negroes who will be sent by city board No. 2 are William Brown, Manuel Tubbs and Tom Black.

Final Instructions.
Several registrants who have been placed in the call which is to leave the terminal station Wednesday morning at 6 for Camp Wadsworth, Spartanburg, S. C., are down with the "flu" and will not be able to leave as scheduled. The other men of the call, Foster V. Brown, chairman of city board No. 1, held final roll call this morning and 18 out of the 22 men in the call responded. The 18 men will leave for the camp as soon as they are well. Gen. Cummings reported all of his men had responded and fifteen registrants will leave tomorrow morning for camp.

PLAIN QUESTIONS TO CHATTANOOGA PEOPLE

Every Chattanooga Reader Will Admit the Soundness of the Logic.

Would Chattanooga people recommend Doan's Kidney Pills as they would if the medicine were not reliable? Would they confirm their statements after years have elapsed if their experiences did not show the remedy to be deserving its State motto and the following must carry conviction to the mind of every reader:

Mrs. C. A. Scoggins, 209 Long street, Chattanooga, says: "My kidneys were out of order and had dull pain across the small of my back. I felt dull and tired easily, especially mornings. Reading of Doan's Kidney Pills, I began taking them, getting my supply at Stong Bros. drug store, and they rid me of the backache and put my kidneys in good order."

The above statement was given July 5, 1916, and on June 5, 1918, Mrs. Scoggins said: "Doan's Kidney Pills cured me of kidney trouble and I have had no return of it since. I know Doan's can be depended upon."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Scoggins had. Foster V. Brown, Co. Mgrs., Buffalo, N. Y.—(Adv.)

COLD GONE! HEAD AND NOSE CLEAR

First dose of "Pape's Cold Compound" relieves all
grippe misery.

Don't stay stuffed-up!
Quit blowing and snuffling! A dose of "Pape's Cold Compound," taken every two hours until three doses are taken, will relieve the head and break up a severe cold either in the head, chest, body or limbs.
It promptly opens clogged-up nostrils and air passages; stops nasty discharge or nose running; relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.
"Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores. It acts without assistance, tastes nice, and causes no inconvenience. Don't accept a substitute.—(Adv.)

COUGHED SO HE COULDN'T SLEEP

Bronchial coughs, tickling in throat and asthmatic spasms break one's rest and weaken one so that the system is run-down and no more can be relied on. Enos Halbert, Paoli, Ind., writes: "I had a severe cold this fall and coughed continually at night; could hardly sleep. The doctor told me to take Doan's Hough and I was cured. It covers irritated membranes with a healing and soothing coating, loosens phlegm and clears air passages. Jo Anderson, druggist.—(Adv.)"

For Constipation DISCOLAX

A wonderful improvement over the old-style cathartic tablet. Won't make you sick, but does arouse sluggish livers. 25 cents a box. Ask your Druggist.

MAKING GOOD

AT SIXTY-FIVE
Don't worry about old age. A sound man is good at any age. Keep your body in good condition and you can be as hale and hearty and able to "do your bit" as when you were a young fellow. Affections of the kidneys and bladder are among the leading causes of early or helpless age. Keep them clean and the other organs in working condition, and you will have nothing to fear.
Drive the poisonous wastes from the system and avoid uric acid accumulations. Take GOLD MEDAL Haarlum Oil Capsules periodically and you will find that you are as good as the next fellow. Your spirits will be rejuvenated, your muscles strong and your mind keen enough for any task.
GOLD MEDAL Haarlum Oil Capsules will do the work. But be sure to get the original imported GOLD MEDAL Haarlum Oil Capsules. They are reliable and guaranteed to help you or your money will be refunded. For sale by most druggists. In sealed packages, three sizes.—(Adv.)

DRINKS CHLORAL

Then Faces Judge in Police Court—
W. C. Miller, who faced Judge Martin Fleming in police court this morning upon a charge of being drunk, has just discovered a new preventative for the "flu" incidentally for liquor. The old white man was picked up drunk with a pint bottle of some fluid, probably hair tonic, in his possession. The "beverage" was labeled "Papine" and according to the label contained 11 per cent of chloral hydrate. The case was dismissed after the judge had urged Miller, if he just had to get drunk, to drink something decent. Park Sewell and George Ware, two colored boys, just went in the Lincoln theater at the corner of A and Ninth streets to get a package, but their excuse was regarded as a lame one and both were given \$25 and costs for proving. Clara Daynes, colored, who has a husband with the colors overseas, got all wrought up because the valiant spouse sent another woman his first picture taken after he had donned the khaki and proceeded to test things up last night at the lucky woman's house. She was given \$5 and costs for disorderly conduct. A fine of \$25 and costs was awarded Charles Ogletree, a colored man, for having a friendly little bout with his wife and mother-in-law last night.

TO COLLECT SEEDS

**Scoutmasters Instructed to Have
Troops Gather Gas Mask Material.**
At the third institute for scoutmaster training which was held last night, orders were given for the troop leaders to instruct their Scouts to collect seeds, such as peach stones, plum and prune pits and other seeds suitable to make filler for gas masks, and bring them to the headquarters. At the Scout headquarters they will be weighed and the troop turning in the most seeds for the official Scout magazine. The rewarded. A campaign was launched among the Scouts among the local boys for the official Scout magazine. The meeting was conducted upon a model program which will be mailed to the various Scout leaders of the city as a suggestion for their troop meeting order of procedure. The leaders studied the Scout salute, the Scout badge and the history of the American flag. Chief Scout Executive Roy D. Bachman announced that this month's general assembly will be postponed until the first Friday night in November instead of the last Friday night in this month on account of the epidemic of influenza.

MORE CHEAP FOOD.

**Another Shipment of Government Fish
On Sale Wednesday.**
This week's supply of "government fish" for the local market will be placed on sale early Wednesday morning. The car containing the fish was received in Nashville shortly before noon and the part consigned for the market of that city was removed and the car started on its way to this city. The fish will sell this week at the old price of 12 to 13 cents a pound.

THROWS HAT IN RING

**Former Senator Cummings to Run
Against Martin Fleming for City
Judge.**
Despite the fact that city election takes place next March, W. H. Cummings, the well-known attorney, is an announced candidate for city judge to succeed Judge Martin Fleming. Senator Cummings, when asked Tuesday if he would make the race against Judge Fleming, stated that he would and that he had been asked by a large number of voters to enter the race. "I believe I can win and believe that the larger part of the labor vote will favor me on account of my past efforts in behalf of labor, and the fact that seems to be certain labor interests do not favor the present city judge," stated Senator Cummings. The senator made an unsuccessful race last summer against George W. Chambliss for attorney-general, but stated that he was somewhat handicapped in this race and wants a chance to again make a race before the people. Senator Cummings, his friends say, is thoroughly qualified to fill this important office. Judge Fleming has already stated that he will ask for re-election.

AIDING GIRLS' ESCAPE

**Glenn Blake, Chauffeur, Misdemeanor
This Charge in Police Court.**
Glenn Blake, a chauffeur 19 years of age, who was arrested last night by Patrolman Gouley for Sgt. Hull of the provost guard, will face Judge Martin Fleming in police court Thursday morning at 9 upon a charge of aiding girls to escape from the Florence Crittenton home. Three girls escaped from the home several days ago and Blake was arrested upon the suspicion of the provost that he was in some way connected with the affair. Convicting evidence which the provost would send him to the pen for five years will be presented in the case. Sgt. Hull said this morning that the girls have not yet been captured but their capture is expected any minute.

EXPANSION FOR SOUTH

**Financial Leaders Discuss Days to
Follow.**
Atlanta, Ga., Oct. 22.—Trade expansion for the south in the days of a world rush for commercial supremacy to follow the war was discussed here today by financial leaders and businessmen of the south at a meeting called by the southern commercial congress. Recommendations of means by which the south may share in the nation's foreign trade after the war will be presented to the southern commercial congress at its meeting in December at Baltimore.

"The scope of the conference" said Dr. Clarence J. Owens, secretary of the congress, who presided, "will embrace the southern program of railways, inland waterways, highways, merchant marine, banking facilities for foreign trade products, imports and exports and the geographical advantage of the south in relation to foreign trade."
About 100 delegates, including representatives of the department of commerce, federal reserve bank system, railroad administration, shipping board and other government bureaus, were invited to the conference which will end tonight.

CHARGE TOBACCO MONOPOLY.
Washington, Oct. 22.—Five tobacco corporations and a number of their officers and directors were charged in a formal complaint today by the federal trade commission with price discrimination in the sale of cigarettes and other tobacco products, tending to operate a monopoly, unfair methods of competition and the maintenance of interlocking directorates and illegal contraction of control of producing companies. Those named are the Tobacco Products Corporation, New York; Schinasi Bros. Inc., New York; the Prudential Tobacco Company, Inc., New York; the Falk Tobacco Company, of Virginia; and Geo. L. Stern, Ruben M. Ellis, Albert Falk, Jacob L. Hoffman, James M. Dixon, Gray Miller, L. B. McKittick and Leon Schinasi.

SAFE ARRIVAL OVERSEAS
Jeff Jones, a Negro Soldier, Sends News of Safe Arrival.

Betty Jones, a respected negro woman of the Lookout mountain community, has received news of the safe arrival overseas of her son, Jeff Jones, a soldier now "somewhere in France."

GERMAN'S NOTE MORE OR LESS STOP-GAP

SENT AS FEELER TOWARD FURTHER NEGOTIATIONS.

Diplomats More Interested in Attitude of German People Than President's Reply.

Washington, Oct. 22.—(I. N. S.)—President Wilson has fully decided on his attitude toward the latest German peace note. His course of action was mapped out at conferences last night with Secretary of State Lansing and most other officials today. He expected to make a definite announcement dealing with the matter late today or tomorrow.

Until the president decides, however, to take the country into his confidence, suggestions of action that he will take must be entirely conjectured. Officials close to the administration contend themselves simply with saying that the president's reply would not long be delayed. Pressed to indicate what position he would take, they refused to make any statement.

The feeling here in Washington was that there was no occasion for any undue haste in the matter. The military situation, so far as the allies were concerned, was working out splendidly. The political pressure at home in Germany was continuing to get stronger on the Kaiser and his advisers.

BERLIN ADMITS LOSSES

Firm Footing of Allies on Lys and Other Gains Allowed.

Berlin, Oct. 22.—The statement follows: "On both sides of the Deyne the enemy has obtained a firm footing on the west bank of the Lys. Detachments which had advanced across the river to the south of the town were, for the most part, taken prisoner. A nest of French soldiers remained on the east bank."

"East of Courtrai the enemy has advanced beyond Deirleyk and Sweveghem. On the heights west and south-west of Vichte we brought his attacks to a standstill. North of the Scheidt we repulsed the enemy before our lines. North of Tournai the enemy has reached the Scheidt."

"South of Tournai we have been in fighting contact with the enemy on the line of St. Amand, east of Denain and on the heights east and north of Haspre. On both sides of Solesmes and Le Cateau the British attacked with strong forces in order to extend their attacks launched between Le Cateau and the Oise on Oct. 17-18. Between Somme and Vertain his attacks were held up by our defensive fire on the heights west of the lowlands west of the Harpies. On both sides of the Solesmes the enemy, advancing beyond our front lines, was brought to a standstill."

"On both sides after Le Cateau we maintained our position in general, after hard and fluctuating fighting. Here the Forty-fourth Brandenburg reserve division especially distinguished itself. Owing to the stubbornness of our infantry, effectively supported by the artillery, the enemy attack, which was directed against our effective in men and material, has thus failed on the whole front of twenty kilometers (twelve and one-half miles), with the exception of limited local gains of ground."

"North of the Serre fresh enemy attacks were repulsed. On both sides of the Laon-Marle road we made a counter attack and cleared such parts of our lines as were still in the hands of the enemy, and also repulsed strong counter attacks."

"To the west of the Aisne, East Prussian battalions and the 21st reserve infantry regiment also recaptured their positions by a counter attack and repulsed enemy attacks."

"To the east of Vouziers the enemy attempted, by means of a continuation of his attacks, to extend his local successes which he had obtained on Oct. 19. His attacks failed, owing chiefly to a counter attack by the 41st infantry regiment and the stubborn defense of the Seventh and Twenty-fourth Bavarian infantry regiments."

"To the east of Bantheville the artillery attacks delivered by Americans were repulsed."

"For the rest, the fighting activity on both sides of the Meuse remained within moderate bounds."

"In the southeastern theater of war, on the Moselle, we repulsed repeated partial attacks by the Serbians."

TAKES "FLU" IN FRANCE

Lieut. George Thomas Writes of His Illness—Letter From Corp. Grady.
Mrs. Geo. W. Thomas is the recipient of the second letter from her husband, Lieut. Geo. W. Thomas, since his arrival in France. The other one was written on the ship and mailed soon after he arrived. He states, in this second letter, that he still can't tell her much about the place, as he has only been out of the hospital one or two times since he arrived. He states that he is not feeling much like writing, but would try to sit up long enough to write a few lines, as he knew she was worried and anxious for a word from him.
He stated that he had not seen a nurse or heard of one since he had been there, so he had to take care of himself while he was sick in hospital.

SOUGHT HEALTH IN 25 STATES

Mr. Childers Suffered With Catarrh for Many Years.

LUNG-VITA BENEFITS

Has Done More Good Than All His Traveling, He Says.

"I am glad to say that Lung-Vita is one of the best medicines that I have ever taken for Catarrh of the head," says Mr. H. J. Childers, formerly of 242 North 3rd St., Memphis, Tenn., but now working at the great Government Powder Plant at Jacksonville, Tenn. His address today is Jacksonville, Tenn. He states that in just the short time he has taken Lung-Vita has done more good than all his traveling.

Lung-Vita is a medicine that receives almost universal praise in cases of coughs, colds, asthma, whooping cough and bronchial troubles. It gives quick relief. And it's economical—a small bottle lasts a long time. Your druggist or dealer should handle it, but should he not have it in stock, write Nashville Medicine Co., Nashville, Tenn., for free booklet.—(Adv.)

SIGNS OF WEAKENING

Three German Officers Lead Entire Company into American Lines and Surrender.

With the American Army Northwest of Verdun, Oct. 22.—(I. N. S.)—The first sign of weakening of the German forces which have been offering the stubborn resistance to the American advance, was shown today. Three German officers, leading an entire German company, came directly into the American lines and surrendered. This is the first time in this sector that captives have been taken without a struggle.

WILSON STUDIES NOTE

No Announcement Expected Before Wednesday.

Washington, Oct. 22.—President Wilson discussed the wireless version of the German note at length with his advisers at today's cabinet meeting. The official text had not been delivered by the Swiss legation and it appeared certain that no announcement of the President's attitude would be made before tomorrow.

PRESIDENT CALM IN CRISIS

Takes Walk Up Pennsylvania Avenue While War Speculates as to His Response.

Washington, Oct. 22.—While all the world was speculating as to what his response to the latest German peace note would be, President Wilson took a stroll along Pennsylvania avenue from the White House at noon today. He was unaccompanied, save for a few alert secret service men.

REORGANIZES PROVOST

Capt. Cole Plans System to Rid Town of Bootleggers and Immoral Women.

Capt. Henry S. Cole, chief of the provost guard, has re-organized his entire force of provost. Tuesday morning fifteen men from the Medical Officers' training camp came in with their equipment. Capt. Cole was out of the city, but he stated several days ago that he intended a re-organization of his entire force and this, it is thought, was the meaning of the new men's arrival Tuesday. It is the order that changes be made in the guard every day or two, allowing different men to come in, and in this way preventing a certain number of men from doing provost duty continuously. The new force will be divided into three divisions. Capt. Cole is planning a system whereby his guards will be at an advantage so they can be of valuable assistance in ridding the town of immoral women and bootleggers. Capt. Cole will return to Chattanooga Wednesday morning.

COLLECT \$106,000

**Two Percent Reduction on Taxes Pro-
duction of Good Results.**
A large number of taxpayers have taken advantage of the action of the county court in allowing a 2 per cent reduction in taxes paid up until \$100,000 has been paid in and a 2 per cent discount discontinued. However, the court at the same time passed a resolution that 1 per cent discount would be allowed on all taxes after \$100,000 up until December. All taxpayers now may receive a 1 per cent discount up until December 1.

SERG. PERRYMAN PROMOTED

**Receives Commission From Officers'
Training Camp at Hancock.**
Among the men just commissioned at the officers' training camp at Camp Hancock is Serg. J. R. Perryman, son of Mr. Geo. M. D. Perryman, of 303 Bailey avenue, Highland Park. The young man was for a year stationed at Fort Oglethorpe, and has many friends in this city who will be glad to learn of his rapid promotion. While at the camp he was a member of the Fifty-third infantry, and at the request of his colonel made application for admission to the training camp for enlisted men. At the officers' training school he led his class and ranked high for his work. Lieut. Perryman comes up from the ranks of the regular army. On account of being refused a furlough it is thought by his friends he will sail at an early date.

STREET DEPARTMENT EXEMPT

**Influenza Passes By Commissioner
Bass' Force.**
The city department of streets and sewers boasts of an almost perfect record with regard to the influenza epidemic, not having lost the services of a single man with the exception of Assistant Engineer Black, who has been absent for two days on account

of illness in his family. Of all the truck drivers, street sweepers and other men in the employ of this department, not a one has been laid off on account of sickness since the influenza struck Chattanooga.

LOST EXHIBIT FOUND

Record in J. J. Ivins Case Now Com- plete and Ready to Go Up.

The lost exhibit in the Ivins murder case has been found and the record is complete and will go to the supreme court at once. It was stated several days ago by W. H. Cummings, counsel for Ivins, that the order on file at the police station, where Serg. J. W. Flannigan, whom Ivins killed, notified them of the alleged theft of some money from Mrs. Maggie Carter, of 408 1-2 West Ninth street, by Flannigan and which was an exhibit in the case had been lost. However, it was located by the detective office and handed Senator Cummings. The order shows that Flannigan and Flannigan were in the case and reported they were unable to locate Flannigan, but learned he was a soldier at the post. It was stated at the trial by the defense that Ivins, who was secretary to the detective department, knew this and was attempting to arrest Flannigan when the latter resisted and the killing resulted. The state charged that Flannigan was drunk and had the feeling between the detective department and the provost guards was responsible for the killing.

PRESENT BOND TO FOCH

Sunder, S. C., Oct. 22.—Marshall Foch will be presented with a liberty bond by the citizens of Sumter, as a testimonial of appreciation of his service to the cause of liberty. A fund now being raised, with popular subscriptions limited to \$1 each, will be closed next Saturday.

EXTEND BRISBANE PROBE

Washington, Oct. 22.—The senate judiciary subcommittee investigating brewers' Washington Times by Arthur Brisbane, with money furnished by brewers, decided today to extend the scope of its inquiry to include charges that have been made relative to alleged political and publicity activities of brewery interests.

INCLINED TO GO SLOW.

**Senators Willing to Await President's
Reply Before Public Comment.**
Washington, Oct. 22.—Pending the receipt of information concerning President Wilson's attitude toward the latest German peace note, senators today were inclined to go slow with public comment. The majority of the members practically, in fact, are opposed to any continuation of negotiations with Germany. But most of them are willing to wait until the president has had his say before placing themselves on record on the latest developments in the situation.

SUBMARINE VICTIMS

Many Southerners Among Those Lost On Ticonderoga.

Washington, Oct. 22.—Two officers and ninety-nine enlisted men of the army lost their lives in the sinking of the American steamer Ticonderoga on Sept. 30. This announcement today by the war department brought the total loss of life to 218, the navy having previously reported ten officers and 102 men of the crew dead and two officers carried off as prisoners by the enemy submarine.

More than half of the soldiers lost on the Ticonderoga were from Ohio. The list also gave the names of fourteen privates saved. The officers lost were Lieuts. Joseph W. Freeman, of Wetumpka, Ala., and Cleveland C. Frost, Berea, Ky.

Discolored, Wrinkled Skin Easily Removed

Since brown or yellow, over-red or blotchy complexion is decidedly not the fashion, I cannot understand why so many continue to wear them. Surely every woman has heard of mercuric sulfate. This is known to me and other experienced—will positively banish every unsightly tint. The wax really takes off a bad complexion. It gradually, harmlessly, absorbs the thin layer of surface skin with all its defects, as liver spots, pimples, freckles, blackheads. Just as gradually the discarded skin is replaced by the clear, white, youthful skin underneath. Mercuric sulfate is procurable at any drug store, is applied nightly like cold cream and, after morning wash with warm water, one ounce will produce the loveliest, girlish complexion in less than a fortnight. I can't understand, either, why folks will be bothered with wrinkles, since the famous axolite formula has become public property. One ounce of powdered axolite dissolved in a half-pint of water, makes a wash lotion that will quickly effect every line even the deepest.—Julia Orff in Social Mirror.—(Adv.)
